

# CareerPartner 24x7

## Now Available through the Online Career Portal: Virtual Job Search Webinars

Take advantage of our pre-recorded Career Transition Webinars on your schedule, from any location. These webinars are available 24/7 right from the CareerPartner 24x7 Career Portal! Topics include:

-  **Assessing Your Next Career Move**  
The career transition is an ideal time to revisit your career options. Explore the possibilities through a thoughtful assessment of your values, interests, needs, and skills.
-  **Resumes**  
Explore the key elements of a winning resume and learn about the different types, including chronological, functional and combination.
-  **Written Communications & Reference Strategy**  
Learn to create powerful written job search letters and craft a reference strategy that will maximize your success in the job market.
-  **Research**  
Learn to harness the power of the Internet and print sources to explore career options and research your target companies.
-  **Selling Yourself as the Product**  
Apply the principles of sales and marketing to differentiate yourself in the job market and create a compelling branding message that will increase your success.
-  **Networking & Informational Interviewing**  
70% of job seekers find their new opportunities through networking. Learn essential techniques to leverage, build, and expand your network.
-  **Interview Strategy & Preparation**  
Gain practical, real-world information that will enhance one of the most critical parts of your job search: the interview.
-  **Tough Interview Questions & Negotiating**  
Learn tried-and-true techniques to address challenging interview questions and position yourself for one of the most stressful phases of the job search process.
-  **LinkedIn**  
Over 23 million professionals use LinkedIn to exchange information, ideas and opportunities. Maximize your profile by accessing training for new and advanced users.

Simply log in to CareerPartner 24x7 and select the "Resources" option from the left menu on your Welcome Page. Click on "Training Sessions" to view available courses.
